

Money Twist Key Stage 5

Content

A highly interactive financial education programme covering practical and relevant everyday financial matters.

This session is designed to get young people thinking and caring about their finances, both now and in their short and long-term futures.

Key Facts

Format: 1x100 minute session.

Target group: 16-18 year olds.

Group size: 12-30 young people.

Session covers:

- ⚡ Minimum wage, payslips, national insurance, tax, pensions, living costs, needs and wants, budgeting, credit and debt and savings.

Young people will look at a range of financial products and understand how to become critical consumers through the cycle of LOOK - DO - REVIEW.

Activities encourage young people to look at options, compare and decide a course of action and keep reviewing to ensure this is the right for choice for them.

Participants are encouraged to give their own views and analyse various financial problems that young people and adults are faced with, as well as considering their own financial futures.

Money Twist is ideal for financial capability days or enrichment weeks. It references the Youth Financial Capability Group's Financial Education Planning Framework for UK teachers.

MyBnk Cancellation Policy:
Cancellations and changes made to scheduled deliveries incur costs to MyBnk. Any changes made less than two weeks in advance will result in a £100 or, if less than three working days, £250 charge per trainer. Full Terms & Conditions [here](#).

"Thank you. MyBnk, as always, fantastic sessions. The students over the past three to four years have built up a great rapport with some of the facilitators with whom they have worked with and recognise now! The students get a lot out of the workshops." Rodney Cobden, Head of RE/PSHE, Oaklands School
