

Family Money Twist Years 3-6*

Content

An online independent learning programme that teaches 7-11 year olds the basics of money whilst setting positive money habits.

These financial education resources are designed for direct use by children, with actionable 'tell/ask/show your parent' activities to prompt important conversations throughout the home. They can be introduced via families or a teachers' adapted curriculum.

Three interactive sessions see children gain budgeting skills and develop an understanding of delayed gratification by creating saving goals.

Key Facts

Format: Expert-led videos guide children through sessions – Main activity including games and quizzes – Choice of 'Make it'; 'Say it'; or 'Write it' task to finish each session.

Target group: 7-11 year olds.

Cost: Free.

Funder: Partially funded by KickStart Money via The Centre for Financial Capability.

Sessions cover:

-  **Needs and Wants:** Where money comes from, and understanding common needs and wants found in the home.
-  **How to Budget:** Understanding the importance of budgeting, and creating a budget for bedroom decoration.
-  **Saving and Delayed Gratification:** Exploring the concept of delayed gratification and creating personal saving goals.

The programme involves maths, art, drama and literacy skills. Children can choose a task that compliments their learning style, through age and ability, with our 'Make it, Say it, or Write it' options in each session.

We also offer an online Years 1-2** parent / teacher-led programme.

These digital products complement our Money Twist primary school offering, a series of sessions delivered directly by our expert trainers.

You can access these digital resources at learning.mybnk.org or contact info@mybnk.org.
